## Providing children with a chance to thrive

The Atlas Foundation exists to help deprived children work towards a better future through rugby communities. It is a launchpad for good and provides a platform that partners with local organisations that have a tangible impact on the daily lives of deprived young people.

Through health, education, and gender inclusion programmes and a large number of rugby initiatives, The Atlas Foundation provides safety, education, food, sport, guidance and community to thousands of children across five continents.

Founded & Chaired by Rugby World Cup Champion Jason Leonard OBE, The Atlas Foundation's work is led by the core rugby values of Integrity, Hard Work and Respect, and the Atlas Foundation is committed to getting practical help directly to those who need it. So far over £2million has been raised for The Atlas Foundation from Jason Leonard's Annual Dinners and over 200,000 children have been supported in 17 countries.

We use our global network of rugby champions to identify communities where there is a need and an ability for us to make a meaningful impact on children's lives. We use rugby to engage and inspire children, instilling the core values of rugby in a safe, fun environment. Working alongside the community, we identify the specific barriers children face and partner with a range of local organisations to deliver additional tailored support across education, health, and inclusion.

All talent is subject to final availability

The event will raise money for The Atlas Foundation through fundraising activity at the event. 70% of the total fundraising profits will go to The Atlas Foundation. Registered Charity No. 1161179.
